INTERNSHIPS

Product Engineering Intern | Omnidel.ai Feb '26 - Apr '26
Deployed multiple agentic AI products across hospitality, skilling & sales verticals, replacing slow manual workflows at real production scale
- Slashed quote turnaround **85% (2 hrs to 15 min)** by independently building **Genie**, an agent for **RARE's 13** property luxury hospitality group
- Eliminated **10 hrs/week** of the pre-sales team's manual effort via a smart bot serving instant quotes and analytics across **65 live properties**
- Lowered literacy barriers to certification access by shipping a fully trilingual, **voice-first mobile app** featuring **38 structured learning modules**

Growth Engineering Intern | mylynk.ai Nov '25 - Jan '26
Built a custom AI-agent GTM engine surfacing & qualifying 2,000+ monthly BFSI sales signals across a focused 386-company target ICP
- Surfaced live, actionable demand signals via **3 AI agents** continuously scanning **386 BFSI** accounts for hiring-pain, churn & competitor moves
- Mapped warm account entry points via **4 ABM agents** automatically tracking speakers, decision-maker moves & funding triggers in real time
- Activated over **2,000+ signals/month** by orchestrating a **14-day** multi-touch outreach cadence with carefully layered **BANT + ICP scoring**

Founder's Office Intern | Rise Global Education Sep '25 - Nov '25
Supported GTM by conducting competitor analysis, building lead databases, and executing high-performing email outreach campaigns
- Designed and executed targeted email campaigns for **300+** prospects, resulting in a **15%** improvement in response rates and engagement
- Utilized web scraping tools to extract and qualify data for **500+** leads, contributing to a **25%** increase in pipeline for outreach campaigns
- Conducted Industry Research on **12+** competitors, enabling data-driven decisions that improved business planning accuracy by **15%**

ENTREPRENEURIAL EXPERIENCES

Founding Team Member | Lovng Apr '25 - Jul '26
Drove the early growth for a two-sided live-events marketplace, automating both the supply and demand acquisition engine across 14 cities
- Scaled toward product-market fit by driving aggressive data-led expansion into **14 cities (11 EU + 3 US)** across **5+ distinct live event genres**
- Lifted **lead qualification rate** by **60%** and cut manual processing time by **80%** by fully automating the end-to-end artist qualification pipeline
- **Tripled bookable inventory** by automating the entire end-to-end venue onboarding flow, adding **50+ live-music venues** to the supply side

POSITIONS OF RESPONSIBILITY

Core Organising Team Member | Spring Fest, IIT Kharagpur Sep '24 - Jan '25
Led the Delhi sponsorship & national outreach for one of India's largest cultural fests, steadily scaling funding, reach, and participation YoY
- Raised over **INR 7.5 Lakh+ (30% YoY)** by single-handedly spearheading entire Delhi sponsorship drive across the extended alumni network
- Expanded national outreach to **1,000+ colleges** and **250+ media articles** by actively co-leading **49 ASMs** and **250+ CAs** across whole country
- Drove a strong **52% YoY rise in participants** by personally orchestrating **NWP Lucknow** and executing flagship events at the Main Building
- Headlined the flagship **International Carnival** by securing and hosting a popular **USA-based pop artist** entirely through international grants

PROJECTS

Web Products for SMB Clients | FabTech May '26 - Jul '26
Delivered 0 to 1 web products for multiple growing SMB clients, right from discovery and user flows to launch and conversion optimization
- Shipped **2 client products** by translating client goals into clear product requirements and user flows for Azar Aroma & Boosthub Automotive
- Owned discovery-to-launch entirely end to end by scoping the MVP, running client feedback loops, and prioritizing for fastest launch
- Improved engagement & **inquiry rate by 20%** by carefully optimizing the full conversion funnel via mobile-first UX, SEO & embedded analytics

Indian Institute of Management, Bangalore | Dr. Prem Shankar Mishra | Research Intern May '25 - June '25
Combined ML & rigorous field research to accurately diagnose water contamination & shape water-management strategy across Karnataka
- Surfaced key drivers of water contamination across rural Karnataka by building robust predictive ML models over **10,000+** raw data points
- Mapped water-usage behaviour across **10 villages** by carefully running structured field behavioral research and rigorous statistical analysis
- Delivered **5+ actionable insights** to strengthen the region's water-management strategy through grounded community-based research

COMPETITION/CONFERENCE

Gold Medalist | Indian Institute of Technology, Delhi | M&A Masterminds Case Competition Oct '24
- Built the gold-winning deal thesis by leading a detailed, rigorous **M&A analysis of Synopsys - Altair Engg.** across **financials, synergies & risk**
- Backed final recommendation with a full acquisition strategy spanning **market analysis, competitor evaluation and post-merger integration**
- Translated **complex deal financials** into a investment narrative for the jury, earning the gold medal for analytical depth and strategic clarity

AWARDS AND ACHIEVEMENTS

- Won **1st place** at Inter-College 24-hour architecture competition conducted jointly by **IIT Kharagpur, Jadavpur University, & IIST Shibpur**
- Received the **CBSE Certificate of Merit** for a **100/100** in Mathematics in the AISSE Class X exam placing among the top **0.1%** of candidates

EXTRA CURRICULAR ACTIVITIES

Design: Part of the Gold winning Illumination design team of Azad Hall, contributing to **AutoCAD** designs and finalization of Design Theme
Mentorship: Mentored **350+ JEE aspirants** at PW, helping them improve concept clarity, daily schedules and structured preparation
Cultural: Part of the **Bronze winning Choreography team** in the **Inter-Hall General Championship 2024-25** representing Azad Hall
